

Ceiling Pendant

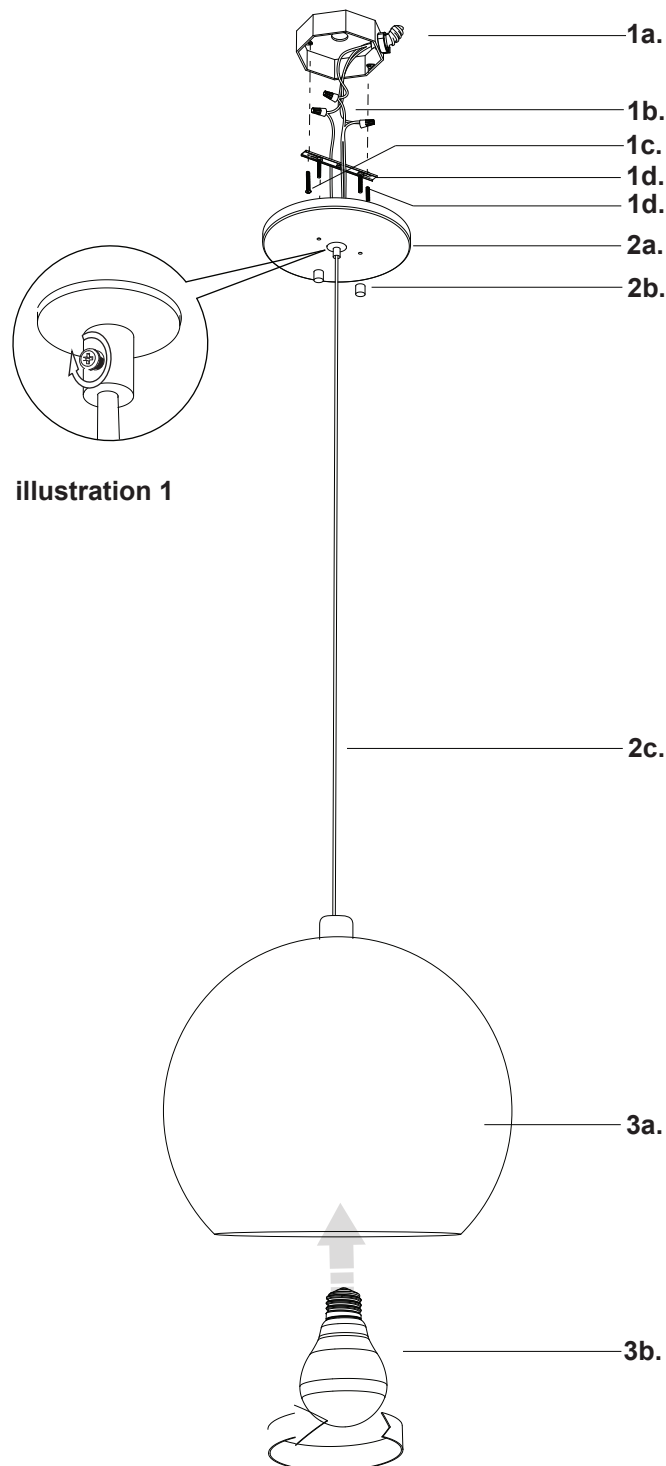

421191
INSTALLATION SHEET

START FROM HERE

- Make sure power is completely off at the fuse box.
- Have your fixture installed by a qualified licensed electrician
- Prepare everything in a clear area.
- Wear gloves at all times during this installation.
- Read instructions carefully before you start assembly.
- Keep this instruction sheet for future reference.

Technical Support: 1-877-452-6858

- 1.** Remove the fixture from its original packaging. Remove the mounting plate (1d) from within the canopy (2a) by removing the two decorative nuts (2b). Secure the mounting plate (1d) to the junction box (1a) with the screws (1c) provided in the hardware package.
- 2.** Before you mount the canopy to the mounting plate select the desired length you wish the pendant to hang. To shorten or lengthen the diffuser (3a) unscrew the set screw (illustration 1) and pull or push the cable (2c). To lock the cable, thread the screw back.
- 3.** You are now ready to mount the canopy (2a) to the mounting plate (1d). First connect all wires (1b) correctly L live wire (black to black) N neutral wire (white to white) and G ground to ground with provided marrets from the hardware package. Align the threaded screws (1d) hanging downward from the mounting plate to the holes inside the canopy (2a). Push the canopy up towards the ceiling so the two screws point through the hole in the canopy (2a). You can now screw on the decorative nuts (2b) onto the threaded studs (1d) pointing through the canopy and securely connect the canopy to the mounting plate.
- 4.** Lastly, push the bulb (3b) up to the socket and thread clockwise.
- 5.** You have now completed the installation of your fixture, enjoy.
