NEW COLLECTION

INTRODUCING FLEUR

A floating spiral of diffusive light the FLEUR series is both minimal and adaptive. The asymmetrical flowing design of the LED chandelier allows for a unique adjustment, the fixture may remain planar or expand upward to resemble a helix.

Available in 3 distinct sizes :
28" / 36" / 44"

Be the first to view the 2019 collection at our new showroom (TM 4010) in Dallas during January Lightovation 2019. You won't want to miss this event.
