MONDRIAN

PD16120

Representative of its namesake, the Mondrian series is composed from numerous rectilinear frames of light. The illuminated borders surrounding an open central void create an illusion of levitation. The airy design and negative space allow the fixture to visually blend into the environment. High-quality finish and simple forms coalesce in the elegant new product.

Available in 2 sizes and 4 finishes:
Black, White, Soft Gold
and Brushed Nickel.
