KUZCO

A SIMPLE CIRCLE

Intended for installation opposite a mirror, the oversized radiant Cirque ring provides functional task illumination to frame and light the face. The inner surface of the rolled aluminum extrusion is lined with LEDs that glow outward toward the user through an opal silicone diffuser. The glowing ring is suspended via a slim cylindrical stem that attaches to a ceiling canopy. It is available in 5 sizes and 2 finishes.

SLIM SHADY

Each narrow, aluminum Zodiac wall-mounted fixture can be positioned in whatever direction the user wishes, either individually or in a series. Each LED fixture can be ordered in either a Brushed or Anodized finish. The indirect illumination in 3000K provides visual drama along any wall.

CLEAN & CLASSIC

This restoration-style pendant comes in 3 finishes – Brushed Brass, Matte Black, and Satin Nickel – along with 2 glass sizes (10- and 14-inch bells).

EYE-CONIC LOOK

Perched at the end of an elongated thin tube rests a simple globe that emits ambient light while concealing the focused LED source. The versatile Europa ceiling-mount series is characterized by the integrated ball joint connectors that allow flexibility as to how the fixture is placed. It is available in single and multi-light configurations and is shown here in a White finish.

MODERN WHIMSY

The hand-crafted, 3-light Monarch pendant brings a light-hearted, feminine approach with its butterfly shape yet adds Contemporary flair with its Matte Black finish and clean lines. It measures 26" diameter x 26.25" high.
