

DESCRIPTION

A seductively curved die-cast aluminum wall sconce. The 18 inch curve is attached to a square mounting plate with concealed fasteners. The mounting plane is illuminated with an even pool of light. Concealed LEDs located at the rear of the curve serve to highlight the gentle curved form of the fixture as an absence of light.

SPECIFICATION DETAILS

Fixture Dimensions	D22" x H13"
Light Source	LED with DC Driver
Wattage	63W
Total Lumens	5400lm
Delivered Lumens	2371lm*
Voltage	120V
