

CABO EW3612

WALL

PROJECT

DESCRIPTION

High powered LED exterior single light wall mount fixture, with stylish relaxed arch design and three different color arrangements with two tone colors of inner white with graphite, black or white exterior metal finishes. Concealed inside is our 120V AC LED technology which radiates light either upward or downward depending how it is mounted on the wall. Can be mounted horizontal or vertical, certified ETL wet location listed and is available in two sizes.
